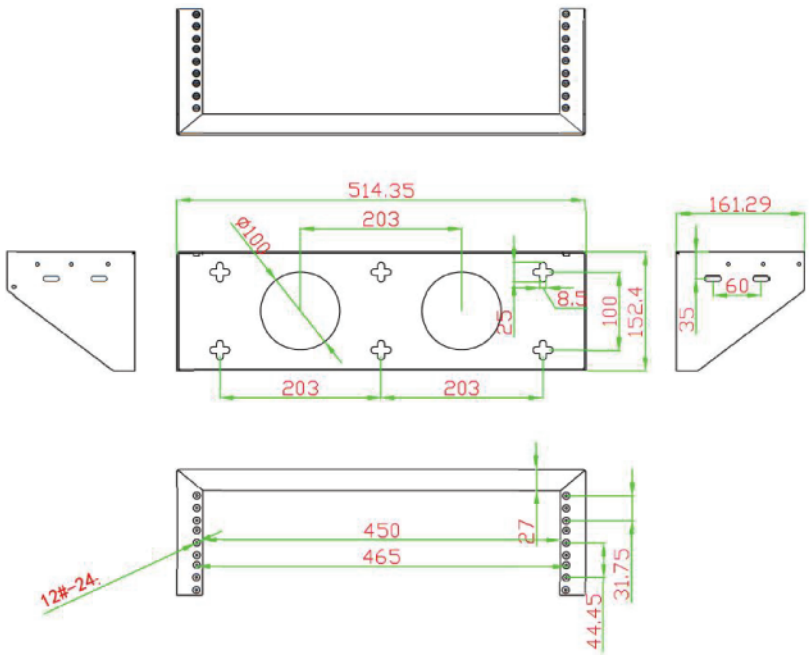
Scale: mm

3u Vertical Wall Mount Bracket - Black



Space-Saving Design: Ideal for setups where space is at a premium, eliminating the need for bulky full-sized racks.

Standard 19 Inch Compatibility: Designed to fit all 19 inch Networx® Patch Panels, and also compatible with non-Networx® Patch Panels.

Universal Fit: Mounting holes align perfectly with standard wall studs, ensuring secure and straightforward installation.

Scalable for Any Project: Perfect for anything from small home installations to large enterprise projects.

Comprehensive Solution: Part of the Networx® ecosystem, designed to meet a wide range of networking demands.
