NETWORX®
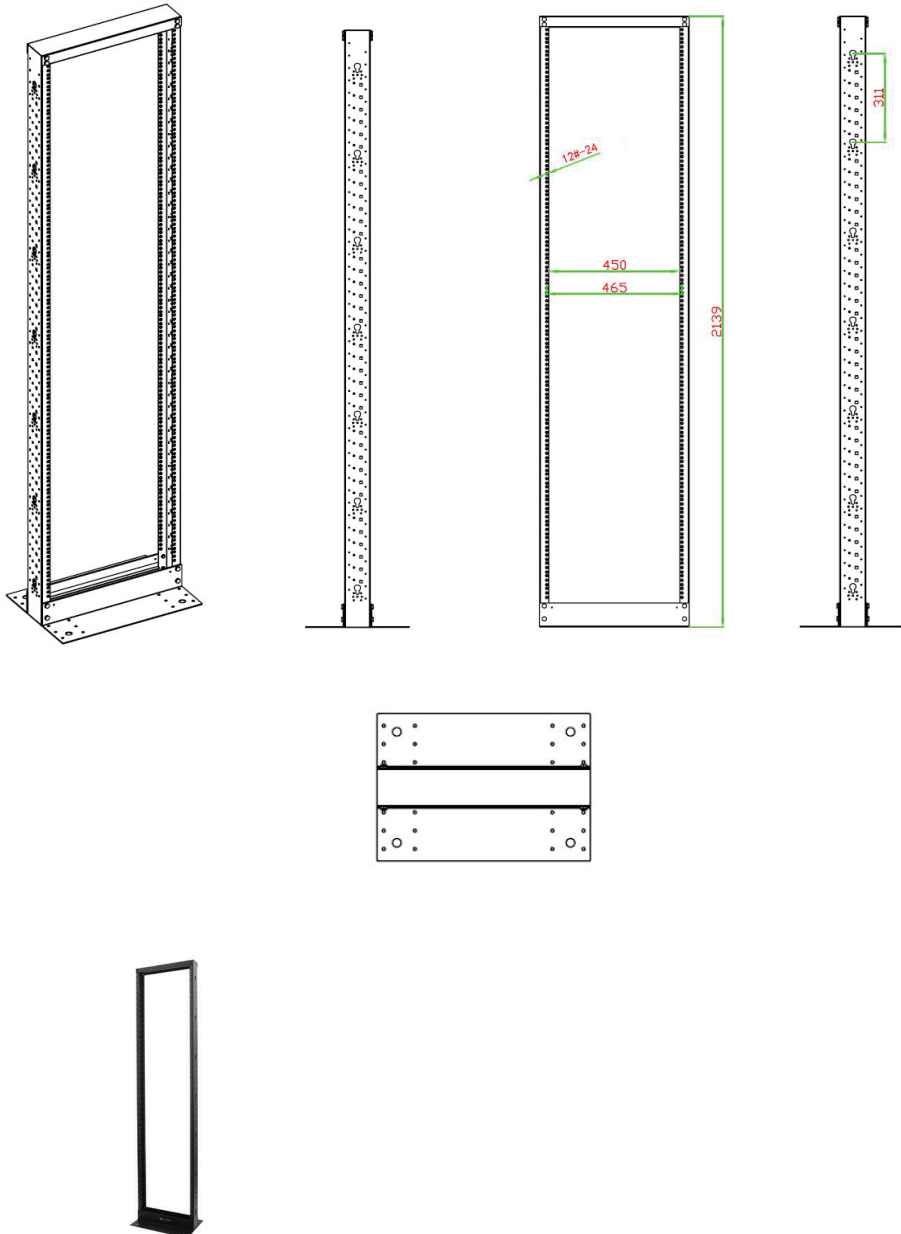

2-Post Open Frame Network Relay Rack - 45U, #12-24 tapped Rails

Compact and Efficient Design: Features a space-saving 2-post structure that utilizes minimal floor space, offering 45U of vertical rack space for efficient equipment organization.

Robust Construction: Built from cold rolled steel, ensuring durability and a load capacity of up to 400 lbs, suitable for heavy-duty equipment.

Floor Mount Stability: Designed for secure floor mounting, which enhances stability and safety by preventing tipping and movement.

Compliant with Industry Standards: Meets EIA-310D standards for 19" rack equipment, ensuring compatibility with a wide range of network hardware.

Complete with Mounting Accessories: Includes 40 screws, and washers for immediate setup, facilitating a quick and hassle-free assembly.

Base Design	Floor Mount
Color	Black
Compliance	EIA-310D
Delivery Style	Knockdown
Electrostatic Powdercoat MicroFinish	Black
Load Capacity	400 lbs
Material	Cold Rolled Steel
Mounting Format	19"
Mounting Rails	Tapped (#12-24)
Numbered RU positions	Yes
Posts	2 Post
Rack Height (Assembled)	84.25 Inch
Rack Size Depth (Internal)	14" (3")
Rack Size Width (Internal)	21" (17.75")
RMU	45U
